WELCOME SYDNEY CITY

Today we welcome to Lambert Park the players, coach, officials and supporters of the 1980 Philips Soccer League champions — Sydney City. Sydney City along with South Melbourne are the favourites for the 1981 premiership and rightly so. City's side contains many brilliant players that can on their day win a game single handedly.

To mention a few - socceros Ken Boden, Murray Barnes, Joe Watson, John Kosmina along with former national team players Todd Clarke, Kevin Mullen and Agenor Muniz. In all City has a near complete side of past and present soccer players with a tremendous amount of experience and ability. Undoubtedly a formidable opponent which should be respected at all times.

City have no injury problems and

should line-up with the same XI that thrashed Newcastle United 4-1 at the Sydney athletic field last Sunday. The same does not apply with A.P.I.A. as Mark Pullen is likely to miss today's clash following an ankle injury he suffered last week in Queensland in the 0-all draw with Brisbane City.

A player of Pullen's calibre is always hard to replace, but their is enough depth in this 1981 Apia squad to compensate for his temporary loss.

Past Sydney City v A.P.I.A. games have always been explosive, exciting, fast and non-stop attacking encounters with a glut of goals.

Today's match should be no exception.

In conclusion, we have said it before and we'll say it again - playing at home we honestly cannot see any team in the PSL beating A.P.I.A. at Lambert Park.

CLUB NEWS with Ron Orsatti

We are coming back to Lambert Park after four weeks of absence. I have had some complaints why that our home matches are not played regularly, but unfortunately is very little that our club can do but to complain to the A.S.F. hoping that they can rectify what ever problems exit - but lets go to the past few weeks performances.

A you all know by now we had lost to Preston and two draws, but we have also qualified for the third round of the Philip Cup by winning first against Auburn 3-2 and then last Wednesday against Wollongong City 4-2.

Considering our injury problems this has been a good achievement.

Our team is improving week by week and we think that with some luck we could be looking for a top year.

The spirit of the team is very high and there could be some new supprises in the next few weeks.

We play Sydney City today and it looks like being a top encounter. We like to see many supporters at the ground so that we can create the right atmosphere for an important game like this.

We have organised a sports night on the 22nd of May, 1981 (Seafood Night), I hope that most of you will come along to support your club.

I think that I have said enough for this week, wishing you a pleasant afternoon at Lambert Park as you watch the game against Sydney City.

You can stay with Tooth LA.

VINCE PIRRELLO

Glad to see you back Terry

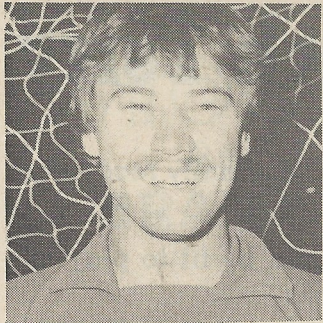

A.P.I.A.'s longest serving player Terry Butler has finally recovered from a serious groin injury.

He has commenced serious training and should be fit to play his first league game of the season in a few weeks.

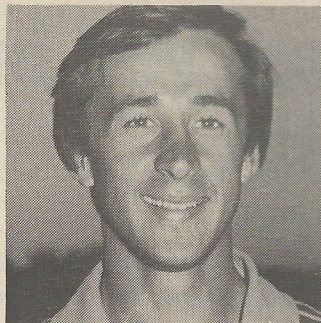

Butler is undoubtedly one of the all time A.P.I.A. greats and the news of his return should please supporters as he is a real favourite with his team mates and club fans.

In the picture below Butler is pictured going past former socceroo Doug Utsenjovic in the 1976 Grand Final played at the Sydney Sports ground. A.P.I.A. beat St. George 1-0.

A word from our Manager-Coach WILLIE WALLACE

It seems to have been years since we last played at home. Missing the game against Adelaide City last weekend gave us a free weekend we did not really want.

I was affraid we would lose our momentum we have had since the season began. But our players proved over the last week that they are determind to do well this year. By beating Auburn in the Philips Cup on Wednesday then going to Brisbane on Sunday and taking a point from City, and I think that any team will be happy to come away from Spencer Park with a point this year as City are a much improved team this season.

Lets get on to todays game against Sydney City. I don't have to go through their side individually, as they are one of the best teams I have seen playing in Australia. It will be a very hard game, but if we can play to our best form, we can gain two valuable points.

Let me just congradulate our under 19 squad in their League position and in the way they are playing. It gives me great heart for the future of the Apia Club in that we have so many young boys in the under 19's who want to play with the Club and have more than average ability.

So lets get behind both teams today and give them all the vocal support we can.

La Colonna di Sabbaturi

Tifosi carissimi come vedete dopo il primo quarto di campionato già trascorso, diciamo pure un quarto di campionato di assestamento, il periodo in qui tutti i tecnici cercano di trovare le loro formazioni migliori, il periodo in qui provano le tattiche che piu' si addicono alle loro formazioni, il peroido in qui si lanciano diversi giovincelli sicuri promesse del futuro, diremmo tutte idee nobili, tutte cose che fanno parte di questo avvincente giuoco che e il calcio.

Pero' amici miei carissimi secondo la mia misera opinione il tempo delle idee nobili, il tempo di lanciare giovani, il tempo di cambiamenti tattici il periodo di assestamento, secondo me e passato, d'ora in poi ragazzi miei si fa sul serio, e ogni punto guadagnato sara' prezioso specialmente per noi dell'Apia dopo l'ultima passeggiata che ci abbiamo fatto mercoledi scorso a vinta senza neanche forzare, domenica scorsa i torelli si sono recati a Brisbane e contro i cugini del Brisbane City abbiamo disputato una partita tecnicamente e tatticamente molto valida, anzi diremmo che il nostro allena tore a finalmente capito l'antifona usando la tattica giusta che dovrebe ogni volta che si giuoca fuori casa e cioe' essere svegli, guardingi, infoltire difesa e

centro campo inpostando sporadiche azioni di allegirimento in contro piede quando si si presenta l'occasione, cosi facendo siamo tornati da Brisbane con un punticino nel cerniere, grazie anche al grande giaguaro Greg Woodhouse che con delle parate veramente strepitose a provato ancora una volta se ce fosse stato bisogno che in Australia non cia' uguali risultando senza dubbio il migliore in campo in senso asoluto. Dopo alla grande fortitudine, intelligenza, visione, e senza di organizzazione della federazione Australiana, dopo averci sbattuti a Wollongong per un'altra durissima partita infrasettimanale vale per la Philips Cup contro il Wollongong.

Oggi contro il Sydney City per noi e veramente il giorno della verita' una vittoria oggi contro questi tanto decantati avversari vorra' dire che anche noi potremo dire la nostra, e la nostra la diremo a voce alta cosi la potranno sentire tutti, tutti i nostri avversari voglio dire e voi mi capite.

Con il vostro continuo incitamento vedrete che i torelli faranno il resto quindi mi raccomando farza APIA, APIA, APIA, APIA, APIA, dal principio alla fine.

Cordialmente vi saluto
Sabbaturuzzu.

WILSON IS BACK

Wilson should make his return to the Socceroo team later this month against the Kiwis at the SCG.

That's our prediction and the hopes of tens of thousands of soccer supporters around Australia.

There is no doubt that on present form Wilson is the most capable defender playing in Australia's premier competition - the Philips Soccer League. Apart from that, Wilson is the most experienced player going around today.

He is also the only man with the ability and vision to captain the Socceroos in their quest to gain a place in the World Cup finals next year in Spain.

The officials and supporters of the A.P.I.A. club sincerely hope that our captain will gain his place back in the national team.

JUNIOR SOCCER

WITH GRAHAM LENEHAN

After two rounds our teams have had mixed results which were not unexpected as regular readers of this column will know.

The early start to this season's competition and the wet weather tended to disrupt training schedules early in the month but after this weekend everything should settle down.

Six teams have won both their matches played so far. They are 8/1, 11/4, 12/1, 13/2, 15/1, 16/1. Our 13/1 team, runners up last year, have had two shock defeats at the hands of Wests and Marrickville.

Coach George Speranza is arranging hard training sessions and hopefully the boys will pick up from their bad start and save George from tearing out all his hair before the semi-finals. Our first social function will be held at the A.P.I.A. Club on Friday May 29 and will be a Dinner dance with a three course meal.

Tickets are available now from team managers.

A complete stage act, known as Porters Retreat had been engaged to provide the dance music to suit all tastes.

This group appeared on the recent channel 10 telethon and at the Royal Easter Show and should be very popular on the night.

The Canterbury and District Soccer association has undertaken to improve coaching standards by appointing a coaching co-ordinator in Eric Arneil, to initiate programmes for all Junior managers and coaches within the district.

The first programme commences May 4 and Eric's appointment should be immense value in promoting a higher standard of coaching within the Clubs of our district.

The Junior matches are played on a home and away basis. Our home matches are played at Leichhardt oval No. 2, which is next to the Leichhardt swimming pool, each Saturday from 9a.m.

After shopping why not come along and watch the future players of the A.P.I.A. Soccer Club.
